

Our Purpose?
Bless the World: be God's Grace!

Ministry Announcements for the week of June 02, 2019

TODAY IN WORSHIP!

- ✝ As a gift of grace, members of the prayer team are available for you in the prayer chapel (across the hall from the chapel) following the 9:30 worship.
- ✝ The flowers on the altar today are given with lots of love by Tony (Poppy) and Nancy (Gigi) Lockard and big brother Luke to celebrate the birth of Olivia Rae Lockard who was born Friday May 24th.

FELLOWSHIP HOUR IN FELLOWSHIP HALL TODAY

Join fellow parishioners in between services in Fellowship Hall for some coffee, some conversation and some refreshments.

NEW HYMNALS

New hymnals are still available for purchase at \$25 each. See Beth Lohmann or there are forms outside the office to fill out. Thank you!

THE BIBLE IN A YEAR

Have you been reading your Bible? You can pick up your 2019 Daily Bible Reading Program on the table outside the office.

Come on! Enter God's Word with us!

June 02	Job 5-7
June 03	Job 8-10
June 04	Job 11-13
June 05	Job 14-16
June 06	Job 17-20
June 07	Job 21-23
June 08	Job 24-28

Upcoming Events !!!!

Sunday June 2nd in Fellowship Hall blood pressure checks.

Saturday June 15th, 10:00 AM, Bike Safety Class for 6-10-year olds! Bring your kids, grandkids, nieces, nephews and neighbors - their bikes and helmets! Instruction by Wersall's Bike Store. Refreshments too! Rain or shine!

Thursday June 27th, 6:30-8:00 pm Active Shooter Program. This is an important part of keeping the People of Grace Safe. Event will be held in Classroom #3.

Our Purpose?
Bless the World: be God's Grace!

Did You Know? Vacation Bible School Impacts Both the Present and the Future

It is true that Vacation Bible School (VBS) takes preparation, administration, organization and financial resources to make it successful. However, when you consider its importance as an evangelistic opportunity, it is more than worth the effort.

Consider some of these ways that VBS impacts your church membership

AMAZING ENCOUNTERS WITH JESUS
JOHN 20:31

Short-term Benefits

- Many children will visit your church for a VBS experience that do not attend church at any other time.
- Many children make professions of faith during the week of VBS.
- Many kinds of different skills can be put to use in VBS. Artistic people and craftsmen will enjoy decorating and building sets. People who enjoy cooking may enjoy helping with snacks. Athletic people may enjoy helping with recreation.
- People who love to work with children will enjoy teaching and building relationships with kids.
- VBS provides church members some variety once a year as they have the opportunity to do something different from their weekly church responsibilities.

Long-term Benefits

- Missionaries and other church leaders often report that they made their professions of faith or made a commitment to full-time service during VBS.
- VBS creates memories that last a lifetime. Adults often talk about experiences they had in VBS as a child.
- VBS teachers may discover spiritual gifts they did not realize they have and want to serve on a regular basis.
- Church members have the opportunity to be blessed by allowing God to use them in VBS
- Church members have the opportunity to see how God answers prayers to provide resources and leadership to make a difference in the lives of young children.

Grace VBS is still in need of teachers, teacher helpers, a snack coordinator and snack helpers.
Please see Connie Thomas or Ron Hiatt to find out how you may use your gifts for VBS.

Vacation Bible School **is a blessing** - please join us in whatever way the Spirit may lead you.

Healthy People! Healthy Parish!

Summer is here! Some safety hints to think about!

Lock your car door - while driving and when leaving the car.

Keep windows rolled up as much as possible.

Try to run errands during the day with someone instead of at night alone.

Always be aware of your surroundings, who could approach you going to and from your car, at ATM's, filling up gas, in the grocery store lot, and in parking garages.

Phones are a great distraction from keeping an eye on our surroundings. Try not to use when walking or out so you can focus on surroundings and people.

Do not leave anything in plain sight in car - purse, computer, cigarettes, and even that change in the cup holder.

Watch using devices that have a suction cup to attached to windshield as these can be detected. Thinking that item might be in the glove box there could be someone waiting for you to return or could break the windshield.

Park in well-lighted areas at night. Park next to one of the emergency call boxes if they are around.

Don't carry more cash or credit cards then you need. Don't flash money.

If you can leave purse at home and use pockets that is even better. If not use a cross the body purse that keeps it close to the body.

Men carry your wallet in a front upper shirt pocket so more difficult for someone to access. Or put in front side pocket.

Don't leave purse in shopping cart.

If you lock purse or valuables in car trunk be aware of who is watching.

If someone approaches you and you are worried, yelling "Fire" as loud as you can will alert others to you needing help.

Buy a whistle and keep handy.

Be Alert! Have a Safe Summer!

Our Purpose?
Bless the World: be God's Grace!

N.L.N. 101 Month!

OK, so what is NLN 101 ???

National Nutrition Labeling 101 Month!

For the month of June, HP/HP will look at “digesting “ food labels!

To continue our goal of helping Grace be a Healthy Parish, and to make great food choices we plan on explaining the foreign language of food labels. By the end of June, we should be able to interpret and talk food label language!

So

1. Nutrition labels are required by the FDA. So, do you know where they are? Answer, they can be anywhere on a package. Most often they are on the side of a box, but you find on top and bottom too. On some items they are very nicely found in the folded label. Take a look for the label on your favorite food.
2. The first entry on the label is the serving size. This is important as we “digest “the rest of the label so pay attention to what a serving size is. Most people “eyeball” their serving which makes some of the nutrition information have varying results. Look at one of your most favorite foods, check the serving size and then actually measure your serving!!! See how close you are?

UPCOMING DATES OF NOTE:

July 15-July 19	VBS
Sunday, August 11	Worship with Ragtime Rick
Sunday, August 11	Congregational Information- Sharing Day
Sunday, October 13	Congregational Information- Sharing Day
Year 2020	Grace Lutheran's 120th Anniversary (Sept. 13, 2020)

Sunday, June 02, 2019
